

ANNEX 83 – POSITIVE ENERGY DISTRICTS

WORKING MEETING INVITATION

September 11th-13th 2023

Lausanne, Switzerland

Organized by Zurich University of Applied Sciences

Welcome to the IEA EBC ANNEX 83 MEETING, **September 11th-12th 2023** followed by a PED workshop **September 13th 2023** at CISBAT!
in Lausanne, Switzerland!

We have put together an interesting mix of events.

Date	event	venue
11th September	IEA EBC Annex83 meeting day 1	Starling Hotel, Lausanne, Switzerland
12th September	IEA EBC Annex83 meeting day 2	Starling Hotel, Lausanne, Switzerland
13th September	PED WORKSHOP at CISBAT	EPFL, Lausanne, Switzerland

For the IEA EBC Annex83 we will meet in Starling Hotel (<https://starling-hotel-lausanne.com/>). It will be a hybrid meeting with options to connect to the sessions via Teams/Zoom (links will be provided).

IEA EBC Annex 83 Meeting Registration

Please register to the onsite event by **20th June 2023**.

Please use the following link to register: <https://events.lsfm.zhaw.ch/en/ebc>

Meeting Fee: CHF 240.00

Optional: social dinner: CHF 55.00

Payment will be done through the registration form (credit card accepted).

CISBAT conference and PED Workshop:

A PED workshop is organized at the CISBAT conference as well as a PED session! The workshop will take place at the conference on 13th September 2023 for physical attendees of the conference only (**For the CISBAT conference and PED workshop event, a separate registration at CISBAT is needed!**)

Please note further that a hybrid participation at the CISBAT conference does not allow you to follow the workshop online.

CISBAT registration Link: <https://cisbat.epfl.ch/registration.html>

Deadline: (early bird) **June 15th 2023**
